So I just translated this chapter.

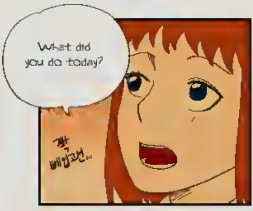
And if you want to leave happy don't read the chapter this week.
Read it with the next chapter next week, and you'll leave a slightly bit happier lol

I've been reading the comments
and I'm really sorry for the people who were shocked/depressed from this story.

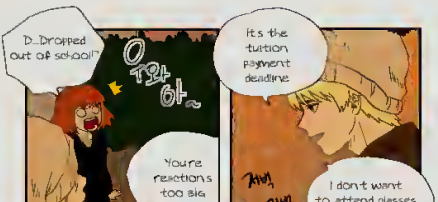
If I knew what the story was about, I'd warn you guys before you got sucked in.
But I'm actually reading this along with you. That's why I decided to translate this
to actually understand what is going on.

Honestly if the webtoon turns REALLY crazy
I might have to drop it myself. But I like it so far

To the people who share my twisted taste and leave positive comments
you're the best! Let's enjoy this together!



Suwan. You're dressed kind of nicely?

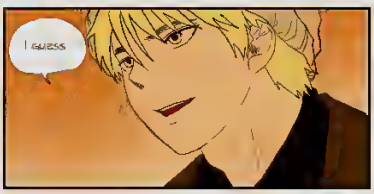


D...Dropped out of school?
You're reactions too big
It's the tuition payment deadline
I don't want to attend classes until I borrow money

I haven't heard of that!
What college?
W Uni
Eeeek! Wow! You're smart-!

Not really
It wasn't the route I wanted to go

.....
The route you wanted to go ?



I guess

You should start thinking about your future too! I keep making the same mistakes!
.....

Later
Yeah..

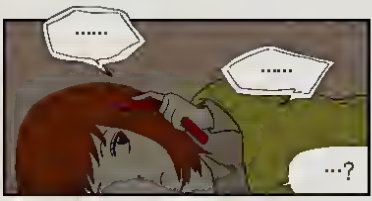
Hello!
뚜루!

Who'd call at this time?
02)454-5555
Its a number I don't know



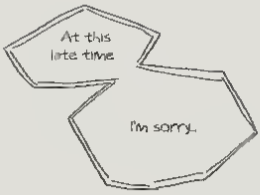
.....
.....
...?

Hello? Busy is connected

Hello~

If you're not saying anything I'm hanging up~

Suwan..



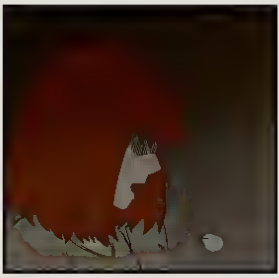
At this late time
I'm sorry..

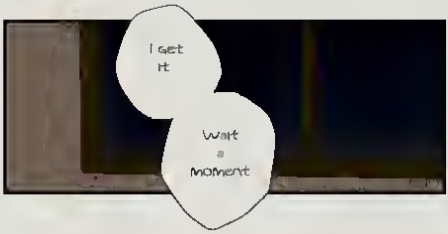
It's Mie!
.....
Can you have your dad or your mom come?

Why?

I know
I said things selfishly
Talk on the phone tomorrow
I
Have them come..
Please..

What's the reason?
.....

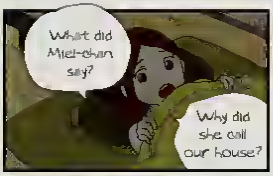




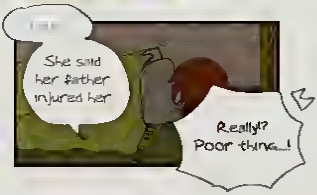
I get it
Wait a moment

Lock the door for me!
Okay Go safely

철-컥-..



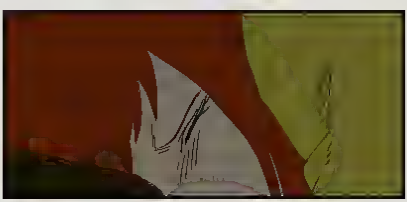
What did Miel-chan say?
Why did she call our house?



She said her father injured her
Really? Poor thing...!

I want Miel-chan to be happy.

Don't be happy.
By yourself!



Right...

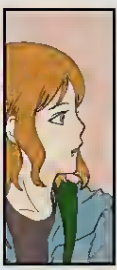
Okay Miel-chan come in
We're going out again
So please sleep in Suwan's room
Yes...

We're going now
Is your arm okay?

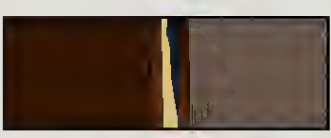
철컥-!!..

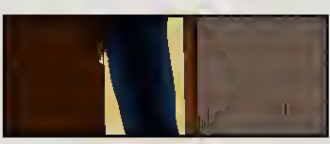
Miel-chan!

Um..
Get better!



Yeah..
Thanks



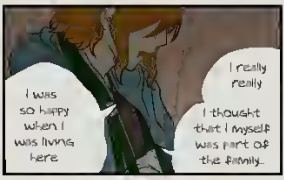


Suwon, Uhm

Don't say anything

If something happened to Miel... I'm also troubled so
I don't really want to talk

.....
Then...
Is it okay if you just listen to me?

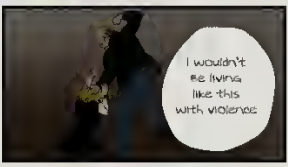


I was so happy when I was living here
I really really thought that I myself was part of the family...

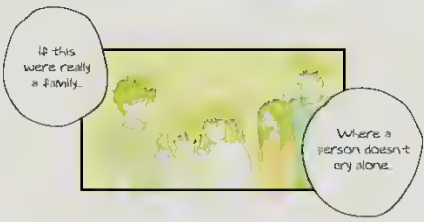
But
It was just a dream

But.. but..

If Suwan's dad were really my dad



I wouldn't be living like this with violence



If this were really a family...
Where a person doesn't cry alone...

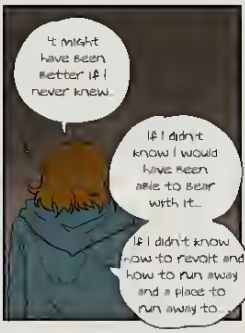
I wanted to always
look at that dream

I wanted to be a part of Suwan's family

I thought I could become a part of that !

But when Suwan's dad told me to return
I realized
In the end
After all

I'm
the daughter of a drunkard !



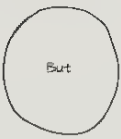
It might have been better if I never knew.
If I didn't know I would have been able to bear with it...
If I didn't know how to revolt and how to run away and a place to run away to...

But at that time Suwan saved me
You were very... very very very nice.

And yet... Suwan, who lended a hand to me and her family drove me away
It was so difficult and sad... I hated Suwan..!

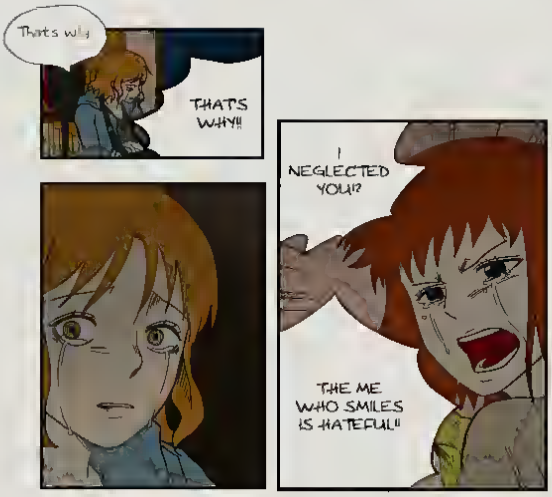
That's why when Suwan told me to become happy
I heard that

You've already helped me enough, right? I'll somehow deal with the rest myself
I can handle that much, right?



But

Suwan was always living life happily so I thought it would be easy, but
For me it's not like that..
It's really like a dream for me..



That's why
THAT'S WHY!!
I NEGLECTED YOU!?
THE ME WHO SMILES IS HATEFUL!!

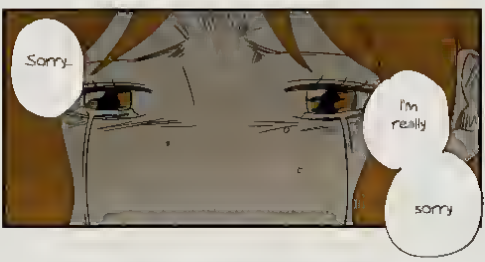
IF YOU DON'T TELL ME THAT I'LL NEVER KNOW...
THEN IF I CRIED ALL THE TIME YOU'D BE SATISFIED...?

I'm sorry.

DON'T APOLOGIZE!
I DON'T WANT YOU APOLOGIZING!
Sorry..
SHOULD I HAVE ACTED LIKE I DIDN'T KNOW ME!? SHOULD I!!
Sorry

I WANTED MIEL TO BE HAPPY!
THAT'S ALL!

Was..
I wrong?



Sorry..
I'm really
sorry

Forgive me..
